

What Would the Rock Say?

(When the team enters the room, tell them that this will be a verbal problem)

- 1) You will have 2 minutes to think and 5 minutes to respond.
- 2) Each of you has 7 cards. After each response, you will place a card in the box. You will respond in sequence. You may give responses until you no longer have any cards or until time ends, whichever occurs first.
- 3) Common answers will receive 1 point. Highly creative or humorous answers will receive 5 points.
- 4) There is a rock in front of you. Your problem is say something the rock might say. For example, you could say, "I live in a yard with other rocks."
